Betsy Holm

Nancy Wilson

Betsy Holm is a singer/songwriter specializing in vocals and guitar. She was born and raised in Pasadena & Temple City, CA, where she began her career performing in rock bands all across Southern California, including popular venues like The Whiskey, The Roxy, and the famous Gazzari's. She now resides in Las Vegas, NV, and has been singing there for 30 years. Performing at almost every venue on the Las Vegas Strip over the years has enabled her to land a residency gig at The Hard Rock Cafe for their popular "Acoustic Breakfast" for the past 10 years.

Betsy has had featured interviews/performances on the 3 major Las Vegas network T.V. morning shows. Much of her career has been in the studio as a session singer, so you may have heard her voice on several radio/T.V. commercials across the country, including her originals in CBS's 'A Very Married Christmas' and The Lifetime Channel's 'Odd Girl Out'.

Betsy has performed with The American Vinyl All Star band led by 'Skunk' Baxter from Steely Dan and The Doobie Brothers as well as Barry Goudreau from the band Boston.
